

Albany Township Service Members

On the occasion of the 150th anniversary of the founding of the village of Kempton, our heartfelt respect and gratitude are extended to the men and women of Kempton and Albany Township who with selflessness and steadfast courage have honorably served in the Armed Forces of the United States of America.

The following pages contain the names of Albany Township's Service Members. If you don't see your loved one's name listed, don't worry. All information in our tribute has been voluntarily provided by the community to the Sesquicentennial Celebration Festival Committee. A master file for future reference is being maintained by the committee, and your information is always welcome. Please message the Kempton Community Center at their Facebook page and include name, rank, branch of service, period of service, and living or deceased. The service member or veteran must live in, or have hailed from, the village of Kempton or Albany Township to be included with the Kempton Sesquicentennial Military and Veterans Tribute. The updated list can be found at kemptoncommunitycenter.org.

For service members in Kempton's 19529 zip code outside the bounds of Albany Township, there is a military monument at Ontelaunee Park for service members of Heidelberg, Lowhill, Lynn, and Weisenberg Townships. More information for that memorial can be found at nwlehighmemorial.org.

We sincerely apologize for any errors or omissions on the following pages.
